### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The amendment filed on 4/26/2007 has been considered in view of the specification and the drawings of this application with respect to the references of the record. The references of the record taken alone or in combination fail to teach or suggest the door signal line state of opening of a door of the vehicle, and the vehicle mirror actuation control still allows the vehicle mirror to fold out, and wherein if the door signal line indicates the door is open, any input into the mirror actuation control will fold out the mirror.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to /Paul Ip/ whose telephone number is (571)-272-1941. The examiner can normally be reached on Monday to Friday from 6:30 am to 3:00 pm.
